Our Story

GREAT BRITISH HERITAGE

Appropriately founded in the home of bathing, Roper Rhodes was established in 1979 in the beautiful city of Bath, which we still call our home today. It's been over 40 years since then where we have grown and changed along with the city. Furthermore our passion for design, ingenuity and creativity has never been stronger.

Our products are made with consideration as well as stringently tested to ensure uncompromising performance and durability. Such is the confidence in our designs that our ranges are covered by extensive guarantees for your peace of mind. For example you can relax knowing you will receive a 20 year guarantee against defects in manufacture on sanitaryware and 10 years on our furniture.

We have a rich history but are also obsessed with product development; constantly innovating, with each new product launch seen as an opportunity to improve the lives of our customers. We work on the basis that every aspect of the life of our products must be considered, challenged and designed to be better. This approach has resulted in us having a market leading product innovation vitality score.

Our People

GREAT BRITISH DESIGN

For over forty years, we at Roper Rhodes have striven for bathroom perfection. Our dedicated team has grown from just one man to a group of people obsessed with all the little details that go into making your dream bathroom.

At every step of the way the customer is at the forefront of our minds. Starting with our product designers, who are always in search of how they can improve the bathroom experience. Push-button showers and contactless flushing are just some of the innovations to come from our team of designers.

Once a product has been made, it finds itself within our impressive 200,000 Sq ft Distribution Centre on the outskirts of Bristol. Here we run a twenty-four-hour operation to guarantee you the best delivery and service we can.

We believe that beautiful bathrooms come from our people, who's inspiration and dedication have made Roper Rhodes what it is today.

A complete guide to creating your
ROPER RHODES BATHROOM

01 BE INSPIRED

Before beginning your journey, why not check out our Instagram, Pinterest pages or this brochure to be inspired by our stunning roomset designs and layouts.

  @roperrhodes

02

PLAN YOUR SPACE

Consider your bathroom space, which shape and size unit would fit best. For larger spaces our luxurious 1000 and 1200 units will make a spectacular focal point, whilst our 500 and 450 cloakroom styles offer a space saving solution. Our free swatch sample service makes it easy to choose the right finish for your home. Simply fill out the form on our website to order your own.

HOW TO GET THE LOOK *with Zoe Jones*

BE INSPIRED

Our in-house stylist Zoe gives you her tips on how to achieve the fluted style in your bathroom.

Whether through glass, tile, or furniture, textured surfaces lend depth and sophistication to a room. For this look, we paired our white fluted Scheme furniture with a black round countertop basin and a statement Link mirror to create a contrast of colour and shape. The result is quiet luxury at its finest.

@roperrhodes

'Create points of interest in your bathroom by offsetting fluted surfaces with sleek brassware, hardware, and accessories.'

* Not suitable for tall drawers. Please choose a knob. 1 knob for 800 unit. 2 knobs for 1000 unit.

TOLEDO T-BAR HANDLES

Our brass Toledo t-bar pulls feature a living finish that can create subtle colour graduations over time, adding to the character of the hardware. Should you wish, a metal polish can be used to restore the original finish. To prevent wood corrosion and discolouration, please ensure that you remove the handles from the vanity before treatment.

Luxurious Furniture
FAIRMONT

Mid-century modern design with contemporary finishing touches

Luxurious Furniture

* Our brass Toledo t-bar pulls feature a living finish that can create subtle colour graduations over time, adding to the character of the hardware. Should you wish, a metal polish can be used to restore the original finish. To prevent wood corrosion and discolouration, please ensure that you remove the handles from the vanity before treatment.

Luxurious Furniture

FRAME

Where luxury and minimalism meet

Luxurious Furniture

FRAME

Smartly tailored with clean lines and precision detailing, our Frame collection cuts a refined silhouette. Glass-fronted drawers are set within a slim metalwork frame, offering plentiful storage & style in one sleek, contemporary unit. Create an inspired and unified space with complementary Frame mirrors, cabinets & storage solutions.

- Glass-fronted drawers set within a sleek, metal frame
- Plentiful storage available across three sizes
- Your choice of basin to make your unit unique to you
- Coordinating mirrors and cabinets available

Fluted

Unique Furniture

SCHEME - ONE RANGE, TWO STYLES

SLAB
STYLING

FLUTED
STYLING

Define your unique Scheme bathroom
IN FIVE SIMPLE STEPS

Our Scheme range offers complete flexibility, you can tailor your choice to fit your needs exactly. Choose your unit size, create a style statement by selecting from different basin options, an array of on trend finishes & coordinating handles. Complete your Scheme bathroom with a choice of optional extras. For further inspiration for potential bathroom layouts, designs and configurations see pages 54-67.

01

THE PERFECT UNIT STYLE & SIZE

Choose from our slab of fluted style units. Consider your bathroom space, if you have a larger room our 1200 slab units will make a spectacular focal point however if your bathroom is smaller our 500 or 600 units are the ideal solution.

SLAB - Choose from 500, 600, 800, 1000, 1200 or a compact cloakroom unit

FLUTED
Choose from 600, 800 units

YOUR FINISH OPTIONS

With a choice of seven contemporary finishes you can match or contrast to anything for your new bathroom design. The colour palette offers a full spectrum of on-trend neutral painted colours in matt and glossy options.

SLAB FINISH OPTIONS

Gloss white Derwent blue Matt carbon Juniper green Gloss dark clay Gloss light grey Umbra

FLUTED FINISH OPTIONS

Matt white Derwent blue Matt carbon Juniper green

03

CHOOSE YOUR BASIN STYLE

To define the overall style of your unit, next choose your preferred bathroom basin. With a wealth of options there is sure to be something to meet your requirements. Choose from a sleek full width ceramic

basin, a modern, premium hotel inspired Isocast basin with practical workspace on either side, or choose a counter top basin with worktop design. For the full range of Scheme basins options see page 66.

COMPLETE THE LOOK OF YOUR UNIT

Add the perfect finishing touch to your unit with one of our stylish handles, available in a host of shapes, sizes and finishes, including chrome, brass, matt black and colour matched handles. Fluted furniture can only be used with one handle style see page 64 for full details.

04

05

LIGHTING

Drawer edge lighting kit options available, see page 65 for details

MIRRORS & CABINETS

Choose an illuminated mirror, or for some additional storage space add an over basin cabinet, see page 65

STORAGE

Add a storage column to your bathroom layout to give lots of additional useful storage space, see page 65

DRAWER BOXES

De-clutter your bathroom by adding additional storage boxes to your unit. Available as a set of two, see page 65

Unique Furniture

SCHEME - FLUTED

Dial up the style of your Scheme furniture unit by choosing our alternate fluted front door style. These clean lines add texture to your space in an easy yet impactful way. Choose from one of four stylish finishes, from minimal matt white to super on-trend juniper green. Pair the units with colour matched handles or choose to from black and chrome options for a contrasting look.

- Fluted door style to give your furniture a unique look, paired with sleek colour matched handle for complete cohesion. Available in two sizes 600 & 800mm
- Built-in drawer dividers and optional beech storage boxes
- Optional lighting kits. Providing a blade of light along the top and bottom edges of the drawers as well as lighting up the top drawer
- Soft close drawer runners and door hinges giving a smooth, quiet closing action and luxurious feel

Unique Furniture

SCHEME - MIRRORS, CABINETS & LIGHTING

Bring your bathroom to life with our choice of Scheme mirrors and cabinets, designed to perfectly complement your Scheme furniture. Both feature LED adjustable lighting to give you that bright, morning boost or set a soft, evening mood. With sizes to match your furniture units for a stylish, coordinated look.

Make your furniture glow with our Scheme lighting kit. Simply touch the hidden on/off sensor to create an elegant blade of light along the top and bottom drawer edges. Perfect for setting the mood, or helping you find what you need.

Unique Furniture

SCHEME - STORAGE

For extra storage, why not opt for our coordinating wall column – perfectly colour matched to your furniture with ample internal. Keep it simple with a door overlap for opening or match with the same handles chosen for your scheme unit.

Our wooden drawer dividers too add practicality to the bathroom, helping to keep all of your bits and bobs in place.

Unique Furniture
SYSTEM

Cool yet elegantly styled, System offers complete flexibility to tailor your space

Define your unique System bathroom

IN FIVE SIMPLE STEPS

Our System range offers complete flexibility. You can tailor your choice to fit your needs exactly. Choose your unit size, create a style statement by selecting from different basin options, an array of on trend finishes & coordinating handles. Complete your System bathroom with a choice of optional extras. For further inspiration for potential bathroom layouts, designs and configurations see pages 72-81

03

CHOOSE YOUR BASIN STYLE

Next you should select your basin preference. This will really change the overall style of your unit. The System range has a wealth of options, there is sure to be something to meet your requirements. Choose from a

sleek full width ceramic basin, a modern, premium hotel inspired Isocast basin with practical workspace on either side, or choose a counter top basin with worktop design. For the full range of Scheme basins options see page 79.

01

THE PERFECT UNIT SIZE

Firstly assess your bathroom space and choose the basin unit size to best suit. There's wall mounted options in 500, 600 or 800 widths, with two soft close drawers providing practical, accessible under-basin storage. There is also a compact cloakroom unit option.

04

COMPLETE THE LOOK OF YOUR UNIT

Add the perfect finishing touch to your unit with one of our stylish handles, available in a host of shapes, sizes and finishes, including chrome, brass, matt black and colour matched handles.

YOUR FINISH OPTIONS

A choice of seven contemporary finishes for System means that you can match or contrast to anything in your bathroom design. The colour palette has been chosen to give a full spectrum of on-trend neutral painted colours in matt and glossy options.

02

05

LIGHTING

Find everything you need in your drawers with the movement-activated, battery-operated light. Easy to remove for charging via USB, see page 80

MIRRORS & CABINETS

Choose an illuminated mirror, or for some additional storage space add an over basin cabinet, see page 80

STORAGE

Add a storage column to your bathroom layout to give lots of additional useful storage space, see page 80

DRAWER BOXES

De-clutter your bathroom by adding additional storage boxes to your unit. Available as a set of two, see page 80

Unique Furniture
SYSTEM

System is a flexible range of furniture with a wealth of possibilities; every detail can be tweaked to perfectly suit your space & style. With its softly rounded corners & smooth lines, System will turn the daily routine into a pleasurable experience. With a wide selection of unit sizes, basins, stunning furniture finishes & handle options, this is modern design at its best.

- Smooth, curved unit design
- Your choice of finish, basin and handles to personalise your unit
- Coordinating mirrors and cabinets available

Unique Furniture

SYSTEM - BASIN OPTIONS

The polished, minimal form of our basin designs work perfectly when combined with System furniture. Choose from sleek, single-mould isocast or classic ceramic in a range of sizes to suit your System basin unit. Or go bold with one of our stylish countertop basin options, for a truly unique look.

- Smooth, ceramic System basins designed to perfectly match your furniture
- Isocast basins inspired by high end premium hotels provide a slimmer look and useful extra surface space in the bathroom
- Countertop basins make a statement to create a true centrepiece in the bathroom

Unique Furniture

SYSTEM - MIRRORS, CABINETS & LIGHTING

Coordinate your bathroom look by opting for one of our specifically designed System mirrors or cabinets. Available in a range of sizes to match flawlessly, with curved corners to create cohesion throughout. All are available with adjustable warm to cool lighting, helping you set the perfect mood whenever.

Unique Furniture

SYSTEM - STORAGE

For some much-needed extra organisation, opt for a set of our solid beech storage boxes; designed to perfectly fit within your furniture and help you keep everything in place. For even more storage we have wall cupboards, ideal for tucking things away and available in finishes to match your furniture unit.

Modern Furniture

PURSUIT

A versatile range in contemporary finishes to add a designer edge to your bathroom.

Modern Furniture

PURSUIT

The contemporary textured finishes lend it a truly sophisticated edge, choose from alpine elm or matt carbon or opt for smooth gloss white and gloss grey. Pursuit is extremely flexible too – choose the 600mm basin unit or use two 600mm units side by side, united by a long solid surface worktop to create a luxurious statement piece.

- Your choice of basin to customise your look
- Spacious internal drawers in a beech finish
- Additional beech storage drawer dividers are available to keep you organised
- Sleek, integrated chrome handle

Meet the basin & WC

DESIGNERS

Discover style in every corner of the bathroom with our collection of fine ceramics, all designed by our specialist product designers.

Contemporary forms combine with their expert know-how to give you the best selection of stylish and practical basins, WCs and flushing solutions.

BASINS & WCs

Discover

ROPER RHODES BASINS & WCs

WC & BASIN SOLUTIONS FOR ALL SPACES

Our basins and WC collections offer a breadth of solutions for all bathroom sizes, no matter how big or small. Covering both modern, contemporary and timeless classics, there is a solution for all styles. Delve in and explore for yourself...

MATT OR GLOSS FINISH OPTIONS

Our sanitaryware collections are specially glazed to create either a high gloss or a smooth matt finish. Equally hygienic and easy to clean, our new matt white WCs and seats are ideal for contemporary bathrooms and pair especially well with our matt brassware options.

RIMLESS TECHNOLOGY

Our rimless technology makes our WCs hygienic and exceptionally easy to clean. A simple wipe of the rim means there is nowhere germs can hide. Water is projected around the bowl to ensure it is completely clean.

AIR GAP TECHNOLOGY

All Roper Rhodes closed coupled WC cisterns are now supplied with air gap technology, they also benefit for a WRAS approved inlet and flush valves, and have a built in silencer to reduce water fill noise levels

CONTACTLESS FLUSHING SOLUTIONS

Our close coupled sensor flush kits offer a hygienic and contactless solution with a simple wave of the hand. The kit can also be retro-fitted to existing WCs. For further details see p148.

GLASS DUAL FLUSH PLATE

A round dual flush plate offering full or reduced flush options. Compatible with our WC frames or ideal on a tiled wall allowing access to the in wall cistern. Also compatible as an optional upgrade for our concealed furniture cisterns.

BLACK & BRASS COVER CAPS

For a sleek and stylish finish to your bathroom, upgrade to black or brass cover caps. Complementing black and brass flush buttons are also available.

20 YEAR GUARANTEE

At Roper Rhodes, we pride ourselves in offering high quality products that are built to last, even in the hectic and high traffic space that is the bathroom. That's why all of our basins and WC's benefit from a 20 year guarantee. We provide a 10 year guarantee on seats and 5 years on cistern fittings.

Concealed Cistern

FLUSHING SOLUTIONS

CONTACTLESS DUAL FLUSH SENSOR

- Provides a touchless flush, with just the wave of a hand
- Best used with concealed cisterns in furniture
- Powered by 4 x AA batteries
- Low battery power alarm, battery life in excess of 1 year (normal domestic conditions, good quality batteries)
- Dual flush
- Discreet decal included to indicate sensor location
- Works through surfaces up to 25mm thick (including ceramic tiles, fascias & worktops)

SENSOR VIDEO
See how easy it is to use & maintain the sensor

Contactless dual flush sensor
use with concealed cisterns
Sensor kit TR9014 **£166.00**

CONTACTLESS SENSOR DUAL FLUSH PLATE

- Recommended for in-wall installations
- Contactless flushing
- Powered by 4 x AA batteries (easy to change, no tools required)
- Low battery power alarm (battery life in excess of 1 year)
- Dual flush
- Manual override flush
- Illuminates on operation
- Use on wall hung frames and In-wall cistern (not compatible with slim depth furniture)

Contactless sensor flush plate
210(w) x 137(h)mm
Black TR9025 **£185.50**

TOUCH OPERATED SENSOR DUAL FLUSH PLATE

- Recommended for furniture or lower height installations
- Touch operated to prevent inadvertent use
- Powered by 4 x AA batteries (easy to change, no tools required)
- Low battery power alarm (battery life in excess of 1 year)
- Dual flush
- Manual override flush
- Illuminates on operation
- Use on wall hung frames and In-wall cistern (not compatible with slim depth furniture)

Touch operated sensor flush plate
210(w) x 137(h)mm
Black TR9016 **£185.50**

Close Coupled WCs

FLUSHING SOLUTIONS

CLOSE COUPLED SENSOR FLUSH KITS

With a simple wave of the hand, hygienic, contactless flushing is now here for close coupled WCs. Two sizes are available depending on the size of the flush button hole in the cistern lid. The button kits have been designed to retro-fit to existing WCs which have paddle operated flush valves. For cisterns which have pneumatic or cable operated flush valves, or where the button screws in directly to the flush valve, then the flush valve will also need to be swapped to our TR9033 valve which has a 2" base.

When upgrading an installed Roper Rhodes cistern the following ranges will require the following items to operate correctly

- Paradigm
Flush button kit TR9032
- Cover
Flush button kit TR9031 with valve TR9033

Alternatively, you can purchase your new close coupled WC cistern with the sensor flush kit included.

ø38mm close coupled sensor flush button kit

TR9031	£90.00
--------	--------

ø48mm close coupled sensor flush button kit

TR9032	£90.00
--------	--------

**Close coupled flush valve
2" base**

TR9033	£28.90
--------	--------

Meet the tap & shower

DESIGNERS

As specialists in what they do, our product designers are constantly looking for new ways to improve the showering experience. With an extensive range of contemporary designs and functions, we've developed a simple guide to help you choose the right one and get the most of your shower.

When it comes to taps, our wide range of styles mean you'll always find one to suit your taste. Why not take your design one step further and opt for coordinating taps and showers?

TAPS & SHOWERS

Discover

ROPER RHODES TAPS

Explore our expansive collection of taps and find the perfect finishing touch for your bathroom. We've struck the perfect balance between design and functionality to create a range of taps that not only look great but perform brilliantly too. There is something to suit any bathroom style, from sleekly contemporary to charmingly traditional.

STYLES

Our selection covers every style and taste, from modern wall mounted mixers, to timeless basin taps. With chrome, black and brushed brass finishes available to create your perfect look.

AS EASY AS 1,2,3...

Our comprehensive collection of taps provides you with a tap solution, whatever your space. Simply choose a design fit for 1, 2 or 3 basin holes, and let us help you achieve your bathroom aspirations.

SWIVEL SPOUT AERATOR

Have maximum control of your waterflow with our versatile swivel spout aerators. These ingenious additions allow you to control the direction of water, making sure your tap feels just right.

GUARANTEES

All Roper Rhodes taps come complete with a 10 year guarantee, including the cartridge, giving you complete confidence in making a Roper Rhodes tap part of your new bathroom experience.

Making the perfect choice

10
YEAR
GUARANTEE
10 year guarantee
including tap cartridge

LOW PRESSURE 1
Suitable for all plumbing systems including conventional gravity fed ones with a minimum 0.1bar pressure* and above

LOW PRESSURE 2
Suitable for all plumbing systems including conventional gravity fed ones with a minimum 0.2bar pressure* and above

MEDIUM PRESSURE
Suitable for all plumbing systems including conventional gravity fed or modern pressurised ones with a minimum 0.5bar pressure* and above

HIGH PRESSURE
Requires a minimum pressure of 1.0bar or above and are more suitable for modern pressurised plumbing systems

SWIVEL AERATOR
Allows the position of the running water to be moved

SWIVEL SPOUT
Allows the spout to be moved from side to side

LEVER ACTION CERAMIC TECHNOLOGY
A smooth, easy to use action giving accurate flow control

QUARTER TURN CERAMIC TECHNOLOGY
Quarter turn taps only require a 90° turn of the handle to move from fully open to closed

UNDER SPOUT DIVERTER
Located underneath the spout, turn to divert the water flow to use the shower or fill the bath. Easier to clean

10 YEAR GUARANTEE
All taps come with a 10 year guarantee, including the tap cartridge

PVD
A hardwearing and scratch resistant coating

ECO1
Compatible with our optional water and energy saving shower flow regulators

ECO2
Compatible with our optional water and energy saving basin tap flow regulators

ECO3
Compatible with our optional water and energy saving basin mixer flow regulators

*Bar pressure is a unit of measurement for pressure. 0.1bar is equal to a metre head of water. In plumbing terms this means that for a gravity fed system, if the base height of your water tank is 1m above a tap, then you will have 0.1bar of pressure at the tap

WATER SAVING FLOW REGULATORS

Our range of optional regulators and aerators are an easy, cost effective way you help save water. These can be used with selected Roper Rhodes products to help reduce your water consumption.

ECO1 SHOWER FLOW REGULATORS

Suitable for showers & bath shower mixers displaying the ECO1 icon

- Mount between the valve & hose for shower valves with handsets or your bath shower mixer
- Mount between head and arm on your fixed shower heads
- We do not recommend the use of regulators with bath taps or fillers as you will want your bath to fill as quickly as possible

ECO3 BASIN MIXER FLOW REGULATORS

Suitable for taps displaying ECO3 icon

- Produce aerated water flow
- Simple to install into the aerator housing of basin mixer
- Available in a range of flow ratings

Basin mixer flow regulators include a chrome plated housing as standard. For black and brushed brass taps order an additional housing below.

Black SP21477 **£3.50**
Brushed brass SP21478 **£3.50**

ECO2 BASIN TAP FLOW REGULATORS

Suitable for pairs of taps displaying the ECO2 icon

- Install into the inlet of the tap
- One required for each tap, therefore please purchase in pairs
- Available in a range of flow ratings

Discover

UNDERSTANDING YOUR SHOWERING OPTIONS

BAR SHOWERS

Occupying slightly less area than traditional exposed valves, bar valves are an economical choice that are ideal for compact shower spaces. Exceptionally easy to install and maintain, our collection of bar style mixer shower valves are available with a classic single function handset, or as a dual function system with a rainfall effect showerhead. Available in smooth, round or sleek square designs.

EXPOSED SHOWER VALVES

Bring the charm of traditional brassware into your home. Our timeless collection of surface mounted showers pair the period style you love with our tried and tested engineering, giving you that vintage feel with the comfort that your shower will last for years to come.

PUSH BUTTON SHOWER VALVES

Making the everyday task luxurious. Swiss engineering combines with intelligent push button technology to offer you effortlessly luxurious showering, all at the touch of a button. Available in an expansive range of styles and configurations.

CONCEALED SHOWER VALVES

Our concealed thermostatic shower valves offer single, dual or triple function, all in one easy to control system. Single function allows you to choose your perfect temperature level, dual function allows you to seamlessly switch between handset and overhead showers, whilst triple function adds our smart flow bath filler. Both include a specific handle to control the temperature, meaning you can choose your perfect level and leave it for the next time you shower.

10 YEAR GUARANTEE

All Roper Rhodes shower systems come complete with a 10 year guarantee, including the thermostatic cartridge.

PVD

PVD hardwearing & scratch resistant coating. Brushed brass finish

Making things simple

CONCEALED PUSH BUTTON SHOWERS

Push button shower systems are the perfect family showering solution, the ergonomic controls allow you to change the showering function at the push of a button. Our Event-click showers are easy to operate and the ideal solution for the modern bathroom. The shower handset features 3 invigorating spray functions, energising, relaxed and massage, providing you with the ultimate choice for relaxation. The separate thermostatic control dial means you can set your desired temperature which keeps it constant for every shower.

EASY INSTALLATION

The valve can be easily removed and serviced even after installation giving you total peace of mind.

COORDINATING TAPS

Our Clear shower systems have been designed to enable you to pair them with a coordinating tap ensuring seamless design consistency in your bathroom.

Making things simple

BAR SHOWER SYSTEMS

Our bar shower systems allow for quick and easy installation with minimal disruption to the bathroom as they do not need to be recessed into a wall. Our selection of modern bar shower systems offer form and function, all in one easy to fit and control unit. Available in smooth, round or sleek square designs.

CREATE YOUR OWN SHOWER

If our shower packages don't suit your requirements then you can design your own shower to meet your own specific needs & style. The guide in this section will help you select the right thermostatic valve for the job. Then browse the following few pages to select from the different shower components available & build a shower which is bespoke to you.

Make it unique

CREATING YOUR OWN SHOWER

CHOOSE HOW MANY FUNCTIONS YOU REQUIRE

How many functions would you like your shower to control?
Our selection of valves give the option to choose from single, dual and triple function controls, see pages 188-229

SINGLE OUTLET

for single function valves to control a fixed head, handset or bath filler

DUAL OUTLETS

delivering water to two separate outlets for dual function valves to control two outlets, see options opposite

TRIPLE OUTLETS

delivering water to three separate outlets for triple function valves to control three outlets, see options opposite

SHOWER HANDSET

OVERHEAD SHOWER

SMARTFLOW
BATH FILLER

BATH MOUNTED
SHOWER KIT

OUTLET OPTIONS FOR SHOWER VALVES

Once you have decided whether you want a single, dual or triple function shower valve (p188-229), next you need to decide what outlets you would like your system to control. Choose from the selection above, all of which are available from Roper Rhodes, see pages 234-243 for all available options.

PRE-SELECTED

Unsure which shower head to pair with which riser rail? To make your decision a little easier we have also pre-selected a number of shower handsets and rails into shower kits see p237 for details

The finishing touch

BATH FILLERS

With a Smartflow bath filler, water runs into your bath through the filler rather than a traditional bath mixer tap. Mounted on the inside of the bath, the Smartflow acts as a combined filler and overflow and comes with a click waste. It can be used with a manual mixer valve as a simple bath filler, or connect it to a diverter valve to control both bath and shower outlets.

PVD
PVD hardwearing & scratch resistant coating. Brushed brass finish

GUARANTEE
Smartflow bath fillers benefit from a 10 year guarantee

Meet the lighting

DESIGNERS

Our designers believe that well engineered lights and fittings have the power to transform a space. From lighting to mirrors and cabinets, their skills lie in developing products that artfully combine to create practical, ergonomic and beautifully lit bathrooms. Always innovating, their designs come equipped with a host of clever features and are made to complement our furniture, brassware and sanitaryware collections.

LIGHTING

Bathroom lighting

COMPLETE LIGHTING SOLUTION

With over forty years of experience, we know it's the details that matter. A great lighting design is key to a high-end bathroom that looks great in every light.

Our lights can be used conventionally or can be connected by WiZ allowing all lights to work seamlessly together and be personalised to your routines and preferences. All our lighting is IP44 rated for safe use in the bathroom.

1

WALL LIGHTING

CONNECTED BY WIZ

Although our lights can be used conventionally they can also be used as smart lights when connected by WIZ making them completely customisable allowing you to set, schedule and adjust your lighting scheme within the WIZ app. Seamlessly integrated with your choice of smart speaker, all of our connected by WIZ products can be voice activated, and further simplified with our convenient smart button.

SMART BUTTON CONTROL OPTION

Enjoy quick and easy control of your lights with the WIZ smart button. This battery operated device enables direct control of your lighting scheme, without going through the app. The smart button can be easily affixed to your wall, without screws, in a place convenient to you.

CONTROLLING YOUR LIGHTING

Smart bathroom lighting connected by WIZ
Also available non-smart.

ROPER RHODES CABINETS

6000K Cool to warm 2700K

FIND YOUR PERFECT LIGHT

Transform your space with ingenious colour changing technology. Invigorate your morning with bright, crisp daylight. Or enwrap yourself in a soft, warm glow and as you spend an hour relaxing in the bath. With a wide spectrum LED ranging from 2700-6000K, you can easily shift your cabinet lighting from and bright and white to warm and intimate at the simple touch or wave of the hand.

AT THE WAVE OF A HAND

Easily control your cabinet with our intuitive contactless controls. Designed with you in mind, these controls add simplicity and convenience to your everyday tasks, plus they're hygienic too.

CHARGING SOLUTIONS

Discover true convenience with our range of charging enabled mirrors and cabinets. Sleekly designed hidden sockets are perfect for tooth brushes or razors. Plus, wireless charging is available in our Boost cabinet (page 298), perfect for charging your phone when you're busy getting ready.

Making the perfect choice

Plus, stylish bath panels including a choice of furniture coordinating finishes to create a seamless look.

WC SEATS & BATH PANELS

Discover

ROPER RHODES TOILET SEATS

QUICK RELEASE HINGES

Easy to operate quick release hinges are featured on some toilet seats, allowing the seat to be lifted away easily, leaving clear access to clean otherwise hard to reach surfaces.

Secure-Fix QR

SECURE-FIX QR

Adjustable hinge technology that simplifies the installation of quick release seats and keeps the seat firmly in place.

QUICK RELEASE

Allows the seat to be lifted away easily, leaving clear access to clean otherwise hard to reach surfaces.

TOP FIX HINGES

Some seats feature a special 'top fix' hinge allowing them to be quickly and easily installed on modern WC pans.

ANTI-BACTERIAL PROTECTION

An environmentally friendly built-in additive provides a hygienic finish to a number of our toilet seats and protects against bacteria, fungi and microbes.

SOFT CLOSE HINGES

The hydraulic hinge mechanism ensures controlled and quiet closure of the seat lid and ring. Mechanisms are extensively tested to ensure long life.

GUARANTEES

All our solid wood toilet seats are made using the finest timber from sustainable sources and benefit from a 2 year guarantee against seat breakages. Our thermoset and MDF toilet seats include either a 5 or 10 year guarantee against seat breakages.

Our free swatch sample service is designed to help you make the right finish choices for your home. If you would like a sample of any of our finishes please visit our website and fill in the sample request form. roperrhodes.co.uk/swatches/

Alternatively you will find displays of our furniture and colour samples of finishes and worktops at our specialist retailers across the UK and Ireland.

WEBSITE

Visit our website to find even more inspiration for your next bathroom project, with detailed guides and inspiring articles. Here you can also find technical details for all our products, as well as access our customer service team and list of stockists. roperrhodes.co.uk

HOW TO CONTACT US

If you need to contact us, our experienced in-house customer service team has a wealth of knowledge about our products.

01225 303900
sales@roperrhodes.co.uk

Monday to Thursday - 8:00am - 5:30pm
Friday - 8:00am - 5:00pm

GUARANTEES

Many of our products carry lengthy guarantees. Our furniture, showers and taps carry 10 year guarantees whilst our seats either have a 2 or 10 year guarantee. Our lighting offers 3 years for manufacturing defects and 2 years on consumables like the bulbs and switches. Please see individual product sections for details. Guarantees are for domestic use only and are not transferable.

REPLACEMENT PARTS

We carry extensive stocks of replacement parts and are normally able to dispatch spares within 24 hours of your request. Damaged parts will be replaced with a spare part where possible, complete exchanges will only be made where it is not practical to do so.

PRICING

All prices quoted are inclusive of Value Added Tax, which will be charged at the rate applicable on the date your product is dispatched. The prices charged will be those ruling at the date of dispatch and Roper Rhodes cannot be held responsible for any errors or omissions in this brochure.

PRODUCT SPECIFICATION

Roper Rhodes furniture is designed for use within domestic installations which are adequately ventilated and is not suitable for installation in wet rooms. As with any timber product, bathroom furniture will be adversely affected if it is subjected to excessive moisture. It is strongly recommended that adequate bathroom extractor fans are installed to prevent heavy condensation and all splashes and spillages must be mopped dry as soon as possible. All exposed or cut surfaces must be sealed with a suitable varnish or silicone sealant to prevent blowing. If this is not done, all warranty claims will be void. In particular, silicone sealant must be used around basin and worktop joints and around all edges of bath panels and plinths. All electrical products should be installed by an approved electrician in line with current wiring regulations.

Roper Rhodes Ltd reserves the right to amend the specification of its products at any time if an opportunity to improve the product occurs. All dimensions are approximate and are quoted within reasonable tolerances.

The furniture colours shown in this brochure are representative only and can be affected by a multitude of factors such as lighting and surrounding items.
