# SHOWER ENCLOSURES

PERFECT  
SOLUTIONS FOR  
EVERY DESIRE,  
TASTE AND NEED.

The synthesis of comfort and style in a design object perfected by the innovations of the latest technologies, which make it an extremely stable and safe product, as well as highly customizable.

When choosing a Novellini enclosure, you want a bathroom space that is easy to set up and maintain.

The wide range of elegant finishes, colors and crystals makes stand out the touch of those who live there.

# N180

BRIGHTNESS, ELEGANCE  
AND PERSONALITY  
IN THE BATHROOM ENVIRONMENT.

◀ Hinge in/out with 90° opening lock and slow closing mechanism

◀ Handle / towel rail

◀ Closure with retractable concealed magnets

Details, sophisticated visual accents and luminous elegance make this range of swing doors a design icon. The rigorous design choice combines aesthetics of immediate elegance and research into technical choices with a highly engineered slow closing system. The N 180 doors are ideal for creating perfect combinations with taps and fittings and wall coverings thanks to the wide choice of polished and brushed finishes, transforming the bathroom environment into a place of well-being where the pleasure of water can be fully experienced.

FLEXIBILITY OF SPACE  
IN THE BATHROOM

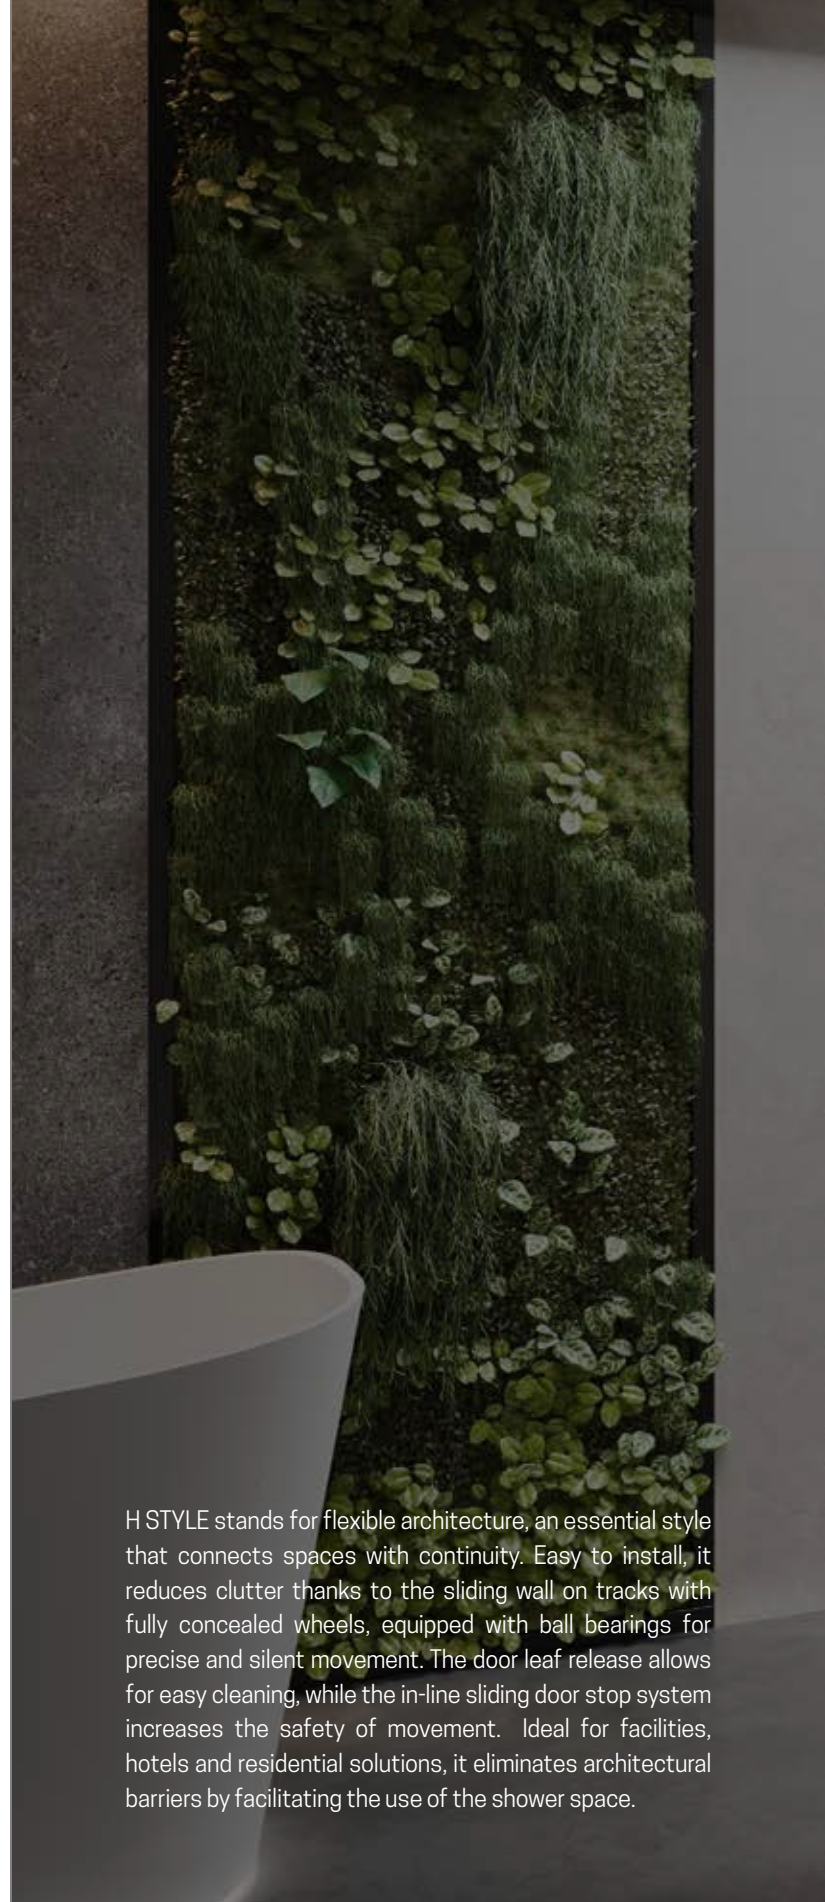

◀ Door opening,  
sliding on top track

◀ Door release system

◀ Concealed trolley  
+ door stop

H STYLE stands for flexible architecture, an essential style that connects spaces with continuity. Easy to install, it reduces clutter thanks to the sliding wall on tracks with fully concealed wheels, equipped with ball bearings for precise and silent movement. The door leaf release allows for easy cleaning, while the in-line sliding door stop system increases the safety of movement. Ideal for facilities, hotels and residential solutions, it eliminates architectural barriers by facilitating the use of the shower space.

# HART

ARTISANITY  
OF THE SHOWER SPACE

◀ New supporting bar

◀ Profile angle with 45° cut

◀ Joint detail

The shower space is transformed, becoming the starting point for upgrading the bathroom environment with a design that is not limited to product conception but is rooted in Novellini's industrial design experience and expertise. A design style that does not conceal, but shows and expresses without superfluous decoration the subordination of form to the honesty of function, giving the bathroom an ever-evolving appearance. A vast choice of combinations of glass and profile colours can satisfy even the most advanced customisation.

## THE MATERIAL

NOVOMATT is a technologically advanced and unique composite material consisting of a high percentage of natural mineral fillers and a low percentage of high-purity polyester and acrylic polymers; it is therefore an inert, hypoallergenic and non-toxic material. It is coated with an aesthetically pleasing matt technical enamel. This coating combines excellent resistance characteristics with complete restorability of the surface.

## CUSTOM SHAPING

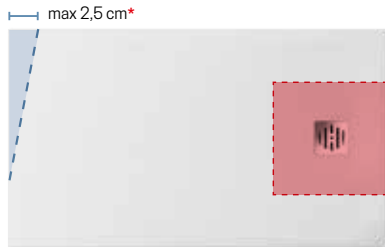

**NOVOMATT plates can be cut by the installer up to 2.5cm from the edge**, Novellini offers a cut-to-length and/or cut-to-width service by communicating the measurements when ordering. We also supply shower trays with cut-outs made to measure to shape the shower tray exactly to the available space. The cuts must however be straight, curved or arched cuts (**out-of-square cut up to 2.5 cm\***) are not permitted. It is also not possible to cut the shower tray around the drain to an area of 40 x 40 cm.

Novellini (UK) Limited, a company registered in Italy with number 2784487 whose registered office is at Unit 11, Caxton Court, Porters Wood, St Albans, Herts. AL3 6XT. ("Novellini") guarantees its products against faulty materials or manufacture provided all the conditions set out below are adhered to.

This guarantee provides benefits which are additional to and do not affect your statutory rights as a consumer. This guarantee is only valid and enforceable for products purchased and used exclusively in the U.K. and Republic of Ireland.

Should a claim arise, Novellini will investigate the issue to ensure that the conditions of this guarantee are satisfied.

## WHAT IS COVERED BY THE NOVELLINI GUARANTEE?

All manufacturing defects are covered by our Lifetime guarantee

The repair or replacement of products will not extend the period of the guarantee and such parts will only be covered for the unexpired period of the original guarantee

The Lifetime guarantee covers all manufacturing defects and is restricted to repairing or replacing (at Novellini's sole discretion) the parts found to be defective.

If a replacement is offered but identical goods are no longer available, Novellini will replace it with our closest equivalent product.

In relation to all working parts (e.g. seals, hinges, wheels, electronics and working components) which are subject to normal wear and tear are covered by a two year guarantee from date of purchase.

Any part supplied during the warranty period will be covered by the general terms and conditions of the original purchase.

## EXCEPTIONS

The guarantee does not include replacement of the entire product.

Shower trays, equipped shower columns, baths and complete cubicles, which are covered by the standard Novellini 2 year guarantee.

Crystal clear glass treatment is guaranteed for 3 years from date of purchase

The guarantee covers normal use; it does not cover faults from wilful or accidental damage, incorrect installation, incorrect cleaning and maintenance of the product.

## TERMS AND CONDITIONS OF THE NOVELLINI GUARANTEE

The purchaser is responsible for checking that the product is complete and in good condition prior to installation. No claim will be accepted if a product is installed with a fault that would have been clearly visible before installation.

Novellini shower doors are water resistant under normal showering conditions i.e. water hitting the body first.

Novellini declines any responsibility for any defects caused as a result of the product having been repaired, altered, serviced or modified by parties other than Novellini or its authorised agents.

Ex displays or products reinstalled from their original position are not covered under this guarantee with no exception

The guarantee becomes effective at the date of purchase. You must provide proof of purchase at the time of claim. Please note that without this proof any work carried out by Novellini will be chargeable.

The guarantee applies to the original purchaser only and is non-transferable.

The product must have been fitted / installed in accordance with Novellini fitting instructions (available at [www.novellini.com](http://www.novellini.com)), local bylaws and general good plumbing practice. Shower trays must be level and sealed to the tiles.

Novellini products must be accessible for service and repair. Novellini will not pay for the removal & refitting of subsidiary items i.e. washbasins, w.c tiling radiators and fitted furniture if the steam unit bath or equipped panel is not accessible for service and repair.

The product must have been maintained and cared for in accordance with Novellini's instructions including regular and appropriate cleaning (and is subject to products being fitted and used in normal domestic household circumstances only.

Complete cubicles/Steam units and baths must be fitted to pre-finished tiled walls and floors. Isolating valves must be fitted for service purposes. Unfavourable lighting and atmospheric conditions may cause discoloration to acrylic; no responsibility will be accepted by Novellini for such discoloration. Parts not directly linked to a manufacturing defect i.e. unfavourable conditions deriving from the nature and the quality of the water and electrical connection are not covered by this guarantee.

If in Novellini's opinion the product has been modified, misused, neglected, wilfully or accidentally damaged, or the defect is due to normal wear and tear we will accept no responsibility for failure.

Novellini must be given the opportunity to inspect the product in the installed condition. If the product is removed before inspection by a Novellini engineer or personnel the guarantee will be null and void unless we have given written

permission to remove the product.

Novellini reserves the right to charge for engineers call out costs, time and replacement parts if a claim is not due to faulty materials or manufacture.

Should Novellini carry out work as a result of a claim but subsequently it is revealed that the product has been abused or improperly installed, we reserve the right to charge for any expenses incurred. For a current fitting price list please email [info-uk@novellini.com](mailto:info-uk@novellini.com).

Novellini declines any responsibility for difficult or impossible installation, and malfunctioning due to walls out of true alignment or incorrect or inadequate electrical or water connection supply.

Except in the case of death or personal injury by the negligence of Novellini service engineers, neither Novellini, nor any of its directors, employees, or representatives will be liable to you or to any other party for damages of any kind arising out of or in connection with the installation or removal of any of its products.

Novellini declines any responsibility for damage, whether direct or indirect, to persons, animals or objects arising from failure to observe the instructions and technical information contained in the installation manual that accompanies the product.

The liability of Novellini is limited to the products supplied by Novellini and does not extend to any consequential loss or damage arising from the defective product.

What happens if I live or move abroad?

The guarantee is applicable to the country in which the product was purchased. If your product is taken abroad the guarantee will be invalidated. However, Novellini will always endeavour to assist you in your new country of residence.
